

THE PLACEMENT CELL

PGDAV COLLEGE, UNIVERSITY OF DELHI

Ever since its Inception, The Placement Cell of our college has played an integral role in every student's life by providing placement and internship opportunities and giving the students an insight into the corporate world. Apart from that, it has also been actively organizing various seminars, soft skills workshops, and group discussions.

With the Motto being "Your Ambition, Our Aim", the vision of the placement cell has been to help students in fulfilling their ambition by bridging the gap between the corporate world and the campus.

This year saw a big jump in the pay package. The average package this year was Rs. 4.5 lakhs per annum with the highest package of Rs.12.02 lakhs per annum. To date, in the session 2019-20, 284 students have been placed in high standing corporate Institutions such as EY- GDS, Deloitte, Wipro, FIS Global, and Amazon among others with job profiles like Actuarial analyst, Assurance Associate, Tax analyst, SEO expert, Product Consulting and Content Writing.

This year, the cell brought more than 100 internship opportunities for the students. Companies like Mazars UK, EY India, EY-GDS, Decathlon, Financial Doctors, Urban Clap, and Bhaichung Bhutia Academy are few of the companies that recruited interns. We try to provide as diverse profiles as possible so that students are able to find their area of work. Keeping the same in mind, this year, more than 50 different profiles were offered to the students in fields like accounting, app development, subject matter expert, and much more.

The Placement Cell also organized the 4th edition of its Annual Summer Internship Fair, Converge 20'. The event saw participation from 52 companies, a footfall of 1000+ students and 40+ profiles being offered to the students.

Our cell, being a propagator of bringing the students closer to the corporate sector, sought to use our alumni as an example for the same. We started our alumni blog called Corporate Catena, where we interviewed our alumni to learn how they achieve their goals and stepped up in the corporate world.

The Placement Cell looks after:

- Corporate grooming of the students by conducting soft skills workshops
- Conducting various grooming sessions from industry experts
- Conducting guest lectures and seminars
- Providing internship to the students
- Providing final placement to the final year students
